- **x** Abide by the recommendations of the School Exclusion Policy of the Health (Infectious Diseases) Regulations 2001, in that the responsibility to exclude a child from the school rests with the principal or person in charge
- **x** Only exclude children from school who are found with live head lice
- **x** [Note: While head lice are not considered an agent for infectious disease, they are included on the school exclusion table.]
- **x** At the conclusion of the school day, provide children with a note to take home to inform their parents or carers that they have head lice. Children may return to school after treatment has commenced.
- x Accept the advice of parents that appropriate treatment has commenced
- x E

- x N if he a en and ca e f hei child en f iend hen hei n child en a e found with head lice, so those families have an early opportunity to detect head lice and, if necessary, treat their children
- **x** Maintain a sympathetic attitude and avoid stigmatising and blaming families who are experiencing difficulty with control measures
- **x** Act responsibly and respectfully when dealing with members of the school and broader community, particularly around issues of head lice
- x Parents can seek extra support if required from http://www.health.vic.gov.au/headlice

This polic ill be e ie ed a a f he ch | S a egic Planning and Re ie c cle and Ratified by School Council in 2019

This policy draws on information obtained from Head Lice: Scratching for Answers?1 - the Vic ian g e nmen head lice website containing management guidelines and The Department's *School Policy and Advisory Guide* Head Lice page. *2019* https://www.education.vic.gov.au/school/principals/spag/health/Pages/headlice.aspx
